I declare that the details furnished are true to the best of my knowledge. I agree to abide by the rules & regulations of the program. If selected, I shall attend the program for the entire duration.

Place: Date: Signature

Chief Patron
Shri. H. R. Ranwa
Chairman, BIET, Sikar

Patron
Shri. J. S. Punia
Vice Chairman, BIET, Sikar

Shri. Vijay Kumar
Administrator, BIET Sikar

Session Chair
Dr. Sumer Singh
Principal, BIET, Sikar

Conveners
Mr. Dileep Kumar Agarwal
Asst. Prof., BIET, Sikar
Mrs. Ruchita Choudhary
Asst. Prof., BIET, Sikar
Department of CSE

Key Note Speakers
Dr. Kailash Kumar Maheshwari
Assistant Professor, CCI
Saudi Electronic University,
Riyadh, Kingdom of Saudi Arabia

Dr. Ajay Choudhary
Assistant Professor, CSE
Govt. Engineering College
Bikaner, Rajasthan.

Dr. Anil Saroliya
Associate Professor, CSE
Mody University, Laxmangarh

Mr. Ravindra kumar
Senior Software Engineer
SAPIENT, Gurugram

**BHARTIYA INSTITUTE OF
ENGINEERING & TECHNOLOGY, SIKAR**

P.O. Bajaj Gram Sanwali, Jaipur Bikaner Bye Pass,
Chandpura, Sikar, Rajasthan

One Day International
Workshop

On

**Recent Technology Trends Related to
Software Industry and Internet of
Things**
3rd April 2019

Organized by

**Department of Computer science &
Engineering**

Venue

SEMINAR HALL
Bhartiya Institute of Engg
& Technology, Sikar
Rajasthan, 332021

ABOUT THE INSTITUTION

Bhartiya Institute of Engineering and Technology is a name track on with in Education World and a pride of India with a lot many “firsts” to its credit. It offers B.Tech. Courses in the streams of Civil, Mechanical, Electrical and Computer Science Engineering. BIET is proud of having highly qualified, experienced and dedicated faculty members of national repute who have been instrumental in realizing the dream of providing world class technical education. They have a strong desire and willingness to impart knowledge and expand intellect of young and budding mind soften nation.

ABOUT THE DEPARTMENT

“Computer science is the scientific and practical approach to computation and its applications”. Computer Science Engineering is designed to equip the student with knowledge of the fundamental concepts and a reasonable mastery of the basic tools and techniques. Computer engineers use their extensive knowledge of hardware and software design and computer programming to make computing platforms and applications more efficient and effective. Seamlessly integrating the latest innovations, computer engineers develop new computer hardware, design and implement software applications, and enhance the capabilities of networks and communication systems.

SCOPE OF THE WORKSHOP

This is emerging as a disruptive technology of the 21st century-truly an extension of the Internet further into the physical world. It joins sensors, devices, data and connectivity together to make the Internet a mesh of Things which can interact, exchange and even act with intelligence. Also the advances in computer hardware, embedded system, networking, display and control devices, software enhancements etc.

COURSE BENEFIT

This Workshop aimed at identifying important project control factors and is capable of transforming the way we gather information, analyze and further decision making. It also presents opportunities to create smarter applications to be run efficiently and automate many routine tasks.

COURSE CONTENT:

- Internet of things
- Software engineering
- Advance searching techniques on internet
- Hands on Arduino
- Bitcoin and its Modus operandi

HOW TO APPLY

The interested candidates should submit the completed and duly filled registration form through mail or google form on or before 3rd April 2019.

REGISTRATION FEE

Delegates from INDIA

| | |
|------------------------------------|------------|
| UG Students | - Rs.100/- |
| PG Students | -Rs.200/- |
| Faculty/Academicians/Industrialist | - Rs.300/- |
| Research Scholars | - Rs.300/- |

Delegates from Outside INDIA

| | |
|----------------------------|-----------|
| UG Students | - US\$ 25 |
| PG Students/Faculty | - US\$ 30 |
| Academicians/Industrialist | - US\$ 50 |

- **On Spot Registration**
- **Registration fee includes registration kit only.**
- **For registration please fill the Google form.**
