About BIET

Rajasthan is the largest state of the Republic of India by Area. It encompasses most of the area of the large, inhospitable Great Indian desert (Thar Desert), which has an edge paralleling the Sutlej-Indus river valley along its border with Pakistan. Bhartiya Institute of Engineering and Technology is a name to reckon with in Education World and a pride of India with a lot many “firsts” to its credit. It offers B.Tech. Courses in the streams of Civil, Mechanical, Electrical and Computer Science. BIET is proud of having highly qualified, experienced and dedicated faculty members of national repute who have been instrumental in realizing the dream of providing world class technical education. They have a strong desire and willingness to impart knowledge and expand intellect of young and budding minds of the nation.

Conference Topics:

The focus of the conference will be on all the facets of current and emerging technologies and related issues like:

- Bridge Engineering
- Building Structure and Bridge Engineering
- Coastal Engineering
- Computational Mechanics
- Concrete Structures
- Geological Engineering
- Geotechnical Engineering
- Hydraulic Engineering
- Material Quality and Control
- Metallic Structures

- Monitoring and Control Of Structures
- Reliability and Durability of Structures
- Structural Analysis and Design
- Structural Rehabilitation, Retrofitting and Strengthening
- Dynamics, Motion Control
- Industrial Planning
- Machine Design
- Production Management
- Fault Diagnosis
- Force/Impedance Control, Architecture and Programming
- Functionality graded materials
- Haptics, Teleoperation, Tele robotics and Network Robotics
- Network computing and cloud computing
- Simulation of computing systems
- Network storage
- Network data security and service
- Parallel the I/O
- EIS network technology and software technology comprehensive application
- The embedded system and application
- Computer storage technology
- Sensors/actuators network
- Wireless Ad hoc Networks

Publication Partners

Proceedings of NCRTE 2018 will be published by “International Journal of Engineering Research and science” in Special Issue. The paper after conference shall be forwarded or the publication in the International Journal as free (Online only). The papers will be submitted for inclusion to the leading indexing services including academia, authors stream, Google Scholar etc based on the Journal's Indexing availability.

Submission Date

Full Length paper (up to 5 Pages) can be sent by email to conference email id: bietsikar@gmail.com
Include: Paper title, names of all the authors, complete postal address, email address of the corresponding author and abstract.

Paper Submission Date: 22 March 2018

Paper Acceptance Date: 24 March 2018

Conference Fees:

Students	500 INR
Research Scholar	700 INR
Academics	1000 INR
Industry	2000 INR
