I declare that the details furnished are true to the best of my knowledge. I agree to abide by the rules & regulations of the program. If selected, I shall attend the program for the entire duration.

Place:

Date:

Signature

Chief Patron
Sh. H. R. Ranwa
Chairman, BIET, Sikar

Patron
Sh. J. S. Punia
Vice Chairman, BIET, Sikar

Sh. Vijay Kumar
Administrator, BIET Sikar

Session Chair
Dr. Bharat Soni
Dean Academics, BIET, Sikar

Conveners
Mr. Vikram Jeet Sharma
HOD, ME, BIET, Sikar

Mr. Dharmendra Kumawat
Department of ME,
Asst. Prof., BIET, Sikar

Key Note Speakers

Mr. Mehroof Mahmood
Aast. Operation manager
Empower Logstor LLC, Dubai, UAE

Dr. J. P. Bhamu
Principal Govt. Engineering College
Bikaner, Rajasthan

Dr. Vivek Bajpai
Assistant Professor IIT,
DHANBAD

Mr. Mangal Singh Sisodiya
HOD, Amity University, Jaipur

**BHARTIYA INSTITUTE OF
ENGINEERING & TECHNOLOGY,
SIKAR**

**One Day International
Workshop**

On
**Emerging trends and Challenges in
Manufacturing Technology**
27th March 2019

**Organized by
Department of Mechanical Engineering**

Venue

SEMINAR HALL
Bhartiya Institute of Engineering
& Technology, Sikar,
Rajasthan, 332001

ABOUT THE INSTITUTION

Bhartiya Institute of Engineering and Technology is a name track on with in Education World and a pride of India with a lot many “firsts” to its credit. It offers B.Tech. Courses in the streams of Civil, Mechanical, Electrical and Computer Science Engineering. BIET is proud of having highly qualified, experienced and dedicated faculty members of national repute who have been instrumental in realizing the dream of providing world class technical education. They have a strong desire and willingness to impart knowledge and expand intellect of young and budding mind soften nation.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering is instrumental in molding the careers of students and helping them to become world-class professionals. Besides highly qualified and experienced staff and well-equipped laboratories. The major area of research are Design of machine component, Manufacturing, Automobile, Non –Conventional Energy recourses & Thermal Engineering. Department have a strong desire and willingness to impart knowledge and expand intellect of young and budding minds of the nation.

SCOPE OF THE WORKSHOP

Rapid advances in industrialization and informatisation methods have spurred tremendous progress in developing the next generation of manufacturing technology. Today, we are on the cusp of the Fourth Industrial Revolution. In 2013, amongst one of 10 ‘Future Projects’ identified by the German government as part of its High-Tech Strategy 2020 Action Plan, the Industry 4.0 project is considered to be a major endeavor for Germany to establish itself as a leader of integrated industry.

COURSE BENEFIT

This Workshop on advanced manufacturing technologies shows that a wide range of outcomes have been experienced by organizations that have adopted these technologies, ranging from implementation failure to increased productivity and enhanced organizational flexibility.

COURSE CONTENT:

- Vision of Manufacturing
- Production equipment
- Future Manufacturing applications
- Capital Machinery Acquisition
- Capacity Planning
- A discussion on emerging trends like the internet of things and agile manufacturing
- Reshoring

HOWTO APPLY

The interested candidates should submit the completed and duly filled registration form through mail or Google form on or before 27th March 2019.

REGISTRATION FEE

Delegates from INDIA

UG Students	- Rs.100/-
PG Students	- Rs.200/-
Faculty/Academicians/Industrialist	- Rs.300/-
Research Scholars	- Rs.300/-

Delegates from Outside INDIA

UG Students	- US\$ 25
PG Students/Faculty	- US\$ 30
Academicians/Industrialist	- US\$ 50

- **On Spot Registration**
- **Registration fee includes registration kit only.**
- **For registration please fill the Google form.**
